

Ring Guide

If you are unsure of your ring size follow the below instructions to make your ring sizer to give you an accurate measurement of you finger.

- You will need to check that you are viewing this document at 100% of its size. To do this select view from the toolbar and then zoom and make sure that this sent to 100%.
- You then need to print this document making sure that you don't select the 'scale to fit page' or 'shrink to fit page' options from the print menu.
- To make sure that the ring sizer is accurate you will need to check the print size – the line below should measure 5cm.

- You will then need to cut out the ring sizer and make a slot as indicated.
- Place the end of the ring sizer through the slot to make a loop

- In order to take an accurate measurement you will need make sure that the ring sizer fits comfortably and you can move it over your knuckle.
- Your ring size is shown by the letter on the line shown through the slot.

Note: This ring sizer is provided as a guide only. For further information or advice on ring sizes contact our customer services department on 01271 312029 (9am – 5pm Monday-Friday) or visit your nearest stockist.
